*Please remember.....*Our Wakes Week Programme is a very full one and takes a considerable amount of time to organise.

We have been fortunate in attracting several new committee members this year, who have brought new ideas with them, but there is always room for other new members. If you are interested in joining us, please contact any of the Committee. Our Meetings, held in the Royal British Legion, are not too formal (!) although we do seem to get through a considerable amount of business.

We look forward to your continued support at our annual Wakes celebrations and hope you enjoy the events we have planned.

If, however, committee meetings don't appeal to you but you do have thoughts or ideas for events in future years, please let any member of the Committee know.
